A Message from Ernie Passailaigue

Dear Arkansas Scholarship Lottery Retailer:

Hi everybody! Here at the Arkansas Scholarship Lottery, we're still celebrating with Randy Wagner of Grubbs, who won a \$1,000,000 Powerball® jackpot in August. He bought a single \$1 ticket and the \$1 PowerPlay® multiplier at the Tuckerman EZ Mart. (Had he not bought the \$1 PowerPlay®, the prize would have been \$200,000!) Mr. Wagner is the tenth person to win \$1 million or more with a ticket purchased in the state since the ASL launched in September 2009. Congratulations to him -- as well as to the Tuckerman EZ Mart, which got a \$10,000 bonus for selling the big ticket!

Also, news from the Arkansas Department of Higher Education reports that, for the first time, more than half of Arkansas public high school seniors attend an institution of higher education. The ADHE reported that enrollment rate for public and private institutions increased by 4.8 percent to 51.7 percent. Officials said the rise reflected greater accessibility to higher education, as well as students' increased perceived value in attending college. Minority enrollment rates also grew. We're proud of the role the ASL has played in increasing these rates – and you should be, too. Thanks for all you do – and have a great month!

Sincerely,
Ernie Passailaigue | Director

NO HUNTING NECESSARY FOR DOUBLE POINTS FOR PRIZES™!

There's still more double Points for Prizes™ for you this month from the Arkansas Scholarship Lottery!
The double point game for the month of September is \$2 Hunting for Hundreds.

location:

Site, 7320 Cantrell Road, Little Rock (Pulaski County).

open since:

"Since before I was born!," laughed Nikki Kotadia, a three-year veteran cashier at the Site store. "So at least 35 years."

ASL retailer
since:

"Since when it started – it was crazy!," said Kotadia at a recent ASL retailer event.

favorite thing
about the lottery:

Seeing new customers in the store when Mega Millions® or Powerball® jackpots get noticeably high.

Favorite game
for customers:

"The ten-dollar games," she said, are popular with her patrons -- "big game, big money," Kotadia explained.

store specialty:

Beyond the usual convenience store fare, which the Little Rock Site on Cantrell Road has in spades, the store carries lots of fun, random products like belly button rings, wristwatches, Mexican soft drinks, CDs and DVDs, shampoo -- and a surprisingly large selection of incense. Also a store specialty, Kotadia said of herself: "Me!"
