**NATURAL STATE JACKPOT RULES**

**A. General Provision**

1. The Natural State Jackpot Game Rules are comprised of (1) the Arkansas Scholarship Lottery Act; (2) the Arkansas Lottery Commission (ALC) Operational Rules; (3) the ALC Rules for Claims in Contract or Tort. Each numbered item cited above shall have equal weight unless there is an inconsistency between or among the documents, in which case the document listed first shall be controlling.
2. These rules may be amended at the ALC's discretion.

**B. Ticket Purchases**

1. Each play costs one dollar (\$1.00).
2. Plays can be entered manually by a retailer using the online terminal or through the use of an ALC-issued playslip.
3. Ticket sales will be suspended at 7:59 p.m. CT on the day of the draw. Ticket sales will resume as soon as practicable following the draw.
4. Tickets cannot be canceled.
5. If the player receives a damaged or illegible ticket or if the terminal fails to produce a ticket, the retailer shall provide the player with a new ticket. The retailer should retain the damaged ticket, if possible, and contact ALC.

**C. Game Play**

1. A play is one (1) set of five (5) unique numbers from 1 to 39.
2. Plays are marked on a playslip or communicated directly to the retailer to enter manually in the online terminal. The terminal will generate a ticket with the corresponding play(s).
3. When using a playslip, the player should make a heavy mark in the appropriate boxes on each panel. Only blue or black ink or pencil should be used on the playslip. Red will not be accepted. If a player makes an error in number selection, the VOID box for that play should be marked. A player should not erase any item on the playslip. Up to five (5) plays may be marked on a single playslip.
4. A player may choose to have any or all of the numbers randomly generated by the terminal. The Quick Pick option may be marked on the playslip or communicated to the retailer to select manually.

**D. Multi Draw [Number of Draws]**

1. A play is valid for the next upcoming draw only. To play multiple upcoming draws, the player should request from two (2) to twenty (20) additional draws or Multi Draw [Number of Draws] either on the playslip or through the retailer.
2. Additional draws or Multi Draw [Number of Draws] will include and be consecutive from the next upcoming draw. Draws cannot be skipped or selected for some nonconsecutive draw(s) in the future.
3. Each additional draw or Multi Draw [Number of Draws] play selected will add one dollar (\$1.00) per play to the ticket price.
4. The range of draw dates for which the ticket is valid will be printed on the ticket.
5. If a player cashes a ticket with draw(s) remaining, the player must ensure that the retailer returns an exchange ticket to the player.

**E. Drawings**

1. Drawings are held at 8:00 p.m. CT, Monday thru Saturday.
