## A Message From the Arkansas Scholarship Lottery:

Happy holidays to all our retail partners! In this, the last month of the year, you may be feeling like we are here at the Arkansas Scholarship Lottery, wondering where the year 2012 went so quickly!

It's been an eventful year for the lottery, with some big winners, some big changes and additions to our games and a new lottery director in Bishop Woosley. Did you know that this year, the ASL surpassed \$1 billion in ticket sales since its inception? We're consistently trying new promotions to keep things interesting for customers, such as the current December promotion where players buy a \$5 or more Cash 3 or Cash 4 ticket and receive a Candy Cane Cash Fast Play ticket free.

But the core mission of the Arkansas Scholarship Lottery remains unchanged. We're proud to be working together with you, our nearly 2,000 ASL retail partners, toward the goal of improving the opportunity for higher education for the state's deserving college-bound high school graduates.

Here at the lottery, we're looking back at a good year, and looking forward to an even better one with you. So once again, best wishes of the season to you and yours!
