

# WHAT IS POWER PLAY®?

**Power Play®** is a prize multiplier that may increase non-jackpot winnings by as much as a **million dollars**. A multiplier of 2, 3, 4, 5 or 10 is randomly selected during the drawing for determining prizes for the bottom seven Powerball® prize tiers.

The multiplier will not apply to the Match-5 prize; instead, the Powerball with Power Play prize will be set at \$2 million.
