Arkansas Lottery Commission – Internal Audit

Review of Findings and Recommendations from the Division of Legislative Audit's June 30, 2010 Audit Report and Management Letter

Status Report – March 8, 2011

Audit Report Finding 2010-1:

Ark. Code Ann. § 23-115-206 (a) (6) requires the Agency to “prepare the financial statements, including the related notes to the financial statements, of the commission in accordance with generally accepted accounting principles (GAAP) and in accordance with guidelines and timelines established by the Chief Fiscal Officer of the State to permit incorporation into the state's financial statements and to permit the audit of the state's financial statements and the commission's financial statements in a timely manner;”. The Agency did not prepare the June 30, 2010 financial statements and related notes in accordance with GAAP. The failure to prepare the financial statements and related notes in accordance with GAAP resulted in errors and omissions that could adversely affect the inclusion of the Arkansas Lottery Commission Financial Statements and related notes in the State's Comprehensive Annual Financial Report.

Recommendation for Finding 2010-1:

We recommend the Agency strengthen internal control over financial reporting by ensuring appropriate employees are qualified and knowledgeable of all applicable Governmental Accounting Standards and prepare the financial statements and related notes in accordance with GAAP.

Audit Objective #1

Review the Arkansas Lottery Commission's June 30, 2011 financial statements and related notes prior to submission to the Division of Legislative Audit.

Status as of March 8, 2011

Audit fieldwork planned

- The finding relates to the Lottery's annual financial statements and related notes.
- Therefore, this finding cannot be addressed until the June 30, 2011 financial statements and notes are prepared.
- Internal Audit anticipates performing fieldwork associated with this objective in July 2011.

Arkansas Lottery Commission – Internal Audit

Review of Findings and Recommendations from the Division of Legislative Audit's June 30, 2010 Audit Report and Management Letter

Status Report – March 8, 2011

Audit Report Finding 2010-2:

Ark. Code Ann. § 23-115-205 (a) (20) states that the Commission may enter into contracts with the terms and conditions as necessary. In addition, Ark. Code Ann. § 23-115-701 (e) (1) states that each major procurement contract shall be filed with the Arkansas Lottery Commission Legislative Oversight Committee (LOC) for review before the execution date of the contract. The Commission approved and LOC reviewed the instant ticket lottery game service contract with a stated cost of 1.75% of net sales. Subsequent to this review, Management entered into a *Recital of Selected Options* with a cost of 1.92% of net sales plus an additional cost of 1.5% of the prize pool. The estimated cost of the *Recital of Selected Options* compared to the original reviewed price proposal is an additional \$3.9 million per year. In addition to the *Recital of Selected Options*, Management entered into three licensing agreements with the vendor with a total estimated cost of \$671,861. The subsequent *Recital of Selected Options* and three licensing agreements were not approved by the Commission or reviewed by LOC. Lack of appropriate review of contracts and modifications of contracts could lead to a lack of transparency to the LOC and public.

Recommendation for Finding 2010-2:

We recommend the Agency ensure compliance with State law by submitting appropriate documents for review by the Arkansas Lottery Commission Legislative Oversight Committee.

NOTE – This finding was cleared by Internal Audit on March 8, 2011.

Audit Objective #2

Determine that the Arkansas Lottery Commission Legislative Oversight Committee and Arkansas Lottery Commission have reached an agreement concerning the submission of appropriate contract documents for review by the Arkansas Lottery Commission Legislative Oversight Committee.

No Findings or Recommendations. Lottery management has agreed to provide immediate notice to the Arkansas Lottery Commission Legislative Oversight Committee of all agreements described in a letter from the Co-chairs of the Committee dated December 14, 2010.

Status Report – March 8, 2011

Audit Objective #3

Determine that Lottery management is submitting appropriate contractual documents for review by the Arkansas Lottery Commission Legislative Oversight Committee.

No Findings or Recommendations. Lottery management has submitted to the Arkansas Lottery Commission Legislative Oversight Committee all licensed instant ticket game agreements (2) entered into from July 1, 2010 through February 28, 2011. The Arkansas Lottery Commission's legal counsel has indicated that the Lottery is in compliance with the contents of the letter from the Co-chairs of the Committee dated December 14, 2010.

Arkansas Lottery Commission – Internal Audit

Review of Findings and Recommendations from the Division of Legislative Audit's June 30, 2010 Audit Report and Management Letter

Status Report – March 8, 2011

Management Letter Finding #1:

Ark. Code Ann. § 23-115-403 (f) (1) prohibits the payment of lottery prizes to certain individuals who are members of the Commission, employees of the Commission, or member of the immediate family of a Commissioner or employee of the Commission. Currently, the Agency conducts prize payment reviews for Powerball and Mega Millions prize payments of \$10,000 or more and second chance drawings for instant games. The Agency does not review prize payments for instant ticket games nor prize payments below \$10,000 for on-line games. In a review of the database used to perform the prize payment review, it was noted that current information within the database required to comply with State law is incomplete. Management utilizes social security numbers to aid in compliance with State law, but 75% of the employees and relatives did not have a social security number listed including the Executive Director, Vice President of Gaming, and 12 other employees. An additional requirement for the database was the address of the prohibited player. In the review of the database, 15% of the employees and relatives had incomplete information including six employees. In addition, four employees were not included in the database. Failure to comply with State law could allow inappropriate lottery prize payments and loss of integrity for the Arkansas Lottery Commission.

Recommendation for Management Letter Finding #1:

We recommend the Agency obtain information from commission members, employees and others deemed necessary to complete the comprehensive database and conduct the prize payment reviews required by State law.

Audit Objective #4

Determine that Lottery management has established procedures in which a winner claiming a prize in excess of \$500 affirms, by signature, that they are not an ineligible player as defined by State law.

Status as of March 8, 2011

Audit fieldwork complete – No findings or recommendations

- The Arkansas Scholarship Lottery Winner Claim Form has been updated to state the following:

I further attest that I am not an ASL Commissioner or an ASL employee, nor am I a member of the immediate family of an ASL Commissioner or ASL employee.

Arkansas Lottery Commission – Internal Audit

Review of Findings and Recommendations from the Division of Legislative Audit's June 30, 2010 Audit Report and Management Letter

Status Report – March 8, 2011

Audit Objective #5

Determine that Lottery management has established, to the extent possible, a database of ineligible players to ensure prize payments in excess of \$500 are not paid to an individual deemed ineligible to win a Lottery prize as defined by State law.

Status as of March 8, 2011

Audit fieldwork in progress

- A list of Lottery Commissioners and employees has been provided to all of the Lottery Claim Centers to manually compare to the name on the completed *Arkansas Scholarship Lottery Claim Form*.
- Lottery management revised the *Arkansas Scholarship Lottery Claim Checklist* to include a check-off indicating that the claimant's name was verified against the ineligible player list.
- Internal Audit conducted a review of high-tier prize claims (above \$500) at all four Arkansas Scholarship Lottery Claims Centers. The audit fieldwork did not note any instances of prize claim payments being made to an ineligible player.
- House Bill 1302, if enacted, will change the requirements regarding prohibited players. The new language, if approved, will read as follows:

Arkansas Code 23-115-403 (f) (1) The commission shall not pay a lottery prize that exceeds the amount of five hundred dollars (\$500) to any: (A) Member of the commission; (B) Employee of the commission; or (C) Member of the immediate family of a member of the commission or an employee of the commission living in the same household as the member of the commission or the employee.

- Lottery management is in the process of developing a database of all ineligible players based on the criteria included in House Bill 1302.
- Lottery management has indicated that an automated process will be built-in to the gaming system to verify the eligibility of a player in the validation process of high-tier prize payments. A work order to develop this module was submitted by Lottery management to the gaming system vendor on January 10, 2011. The scheduled install date is May 5, 2011.
- Internal Audit plans to conduct additional fieldwork following the implementation of the ineligible player verification module into the Lottery's gaming system.

Legislative Audit Management Letter Finding #2:

Ark. Code Ann. § 23-115-303 (e) and (f) requires each person considered for employment by the Commission submit to a state and federal background check. Arkansas Code further states that the Commission cannot employ anyone who has been convicted or entered a plea agreement for certain criminal offenses. Nineteen individuals employed by the Commission were selected for review; of which, all background checks were completed subsequent to the first day of employment. The failure to complete the background checks prior to employment resulted in the employment and subsequent termination of two individuals with previous criminal offenses.

Legislative Audit Recommendation for Management Letter Finding #2:

We recommend the Agency develop policies and procedures to ensure criminal background checks are received prior to employment.

NOTE – This finding was cleared by Internal Audit on January 7, 2011.

Audit Objective #6

Determine that Lottery management has established written policies and procedures concerning employee background checks.

No Findings or Recommendations. Written policies and procedures have been developed for employee background checks.

Audit Objective #7

Determine that background checks are received and reviewed prior to the first day of employment.

No Findings or Recommendations. Audit fieldwork revealed that for all employees hired between the dates of April 19, 2010 through January 7, 2011, a background check was received and reviewed prior to the first day of employment.

Status Report – March 8, 2011

Legislative Audit Management Letter Finding #3:

Ark. Code Ann. § 23-115-206 (a) (1) requires the Commission to establish effective internal controls. To effectively establish internal controls, management should communicate policy and procedures to all staff. Management did not communicate the policy and procedures for the accrual and use of compensatory time to exempt staff until August 3, 2010 for time purportedly earned between July 1 and November 30, 2009. Subsequent to the issuance of the formal policy, numerous changes were made by management including a suspension of compensatory time usage. In addition, management was unable to properly account for the potential compensatory time resulting in ten different versions of compensatory time being submitted for audit. Due to the numerous changes made to the compensatory time policy, at the end of audit fieldwork, it remains unclear what the Agency had established as policy. The failure to establish and communicate policy has led to confusion with the 23 affected employees and has created a potential liability for some staff, who may be required to reimburse the Agency for compensatory time already taken.

Legislative Audit Recommendation for Management Letter Finding #3:

We recommend the Agency strengthen internal controls by communicating applicable policies and procedures to staff in a timely manner. We further recommend the Agency obtain guidance from the Chief Fiscal Officer of the State regarding reimbursement of any overpayments that may be determined.

Audit Objective #8

Determine if any additional compensatory time has been granted to exempt employees since the audit report date of June 30, 2010.

Status as of March 8, 2011

Audit fieldwork complete – No findings or recommendations

- Internal Audit reviewed leave records and inquired of applicable employees and determined that no additional compensatory time has been awarded to exempt employees.

Arkansas Lottery Commission – Internal Audit

Audit Objective #9

Determine if Lottery management has established written policies and procedures for the use of the 80 hours of compensatory time approved by the Arkansas Lottery Commission.

Status as of March 8, 2011

Audit fieldwork complete – No findings or recommendations

- Lottery management has established a *Compensatory Time Policy*. In addition, an email written by the Lottery's Human Resources Director provided guidance to effected employees regarding usage of the compensatory time awarded.

Audit Objective #10

Determine that compensatory time usage is accounted for in accordance with policies and procedures, approved, and adequately supported.

Status as of March 8, 2011

Audit fieldwork complete – No findings or recommendations

- Internal Audit performed a test of compensatory time usage records and determined that time is accounted for in accordance with policies and procedures, approved, and adequately supported.

Audit Objective #11

Determine that the Executive Director and Vice Presidents are repaying compensatory time in accordance with the methodology submitted and reviewed by the Arkansas Lottery Commission.

Status as of March 8, 2011

Audit fieldwork in progress

Executive Director

- The Executive Director has repaid all 16 hours compensatory time used by reducing his annual leave balance.

Vice President of Gaming

- The Vice President of Gaming has repaid all 134.5 hours compensatory time used by reducing his annual leave balance (52.5 hours) and compensation (82 hours).

Vice President of Administration

- The Vice President of Administration has a balance of 169.97 hours as of February 28, 2011.
- The original balance of the compensatory time to be reimbursed was 178.5 hours. The balance has been reduced by a reduction in compensation of eight hours for the pay period ending February 19, 2011. The balance was further reduced by a payroll deduction overpayment of \$57.69 (.53 hours) not returned to the Vice President of Administration.
- The Vice President of Administration submitted the following plan on February 11, 2011 to reimburse her outstanding compensatory time balance:
 1. Starting with the pay period ending February 19, 2011, reduce compensation by 4 hours per week (8 hours per pay period) until the pay period ending July 9, 2011, a total of 11 pay periods. This will result in a reduction of the compensatory time balance of 88 hours.
 2. Forfeit her cost of living and merit pay increase in the amount of \$8,922.24. At an hourly rate of \$108.49 per hour, this will result in a reduction of the compensatory time balance of approximately 82 hours.

3. The remainder of the compensatory time will be paid by the Vice President of Administration to bring the balance to zero by the end of July 2011.

NOTE – This finding cannot be cleared by Internal Audit until all compensatory time has been repaid in full to the Lottery Commission.

Legislative Audit Management Letter Finding #4:

Act 605 and 606 of 2009, as amended, known as the Arkansas Scholarship Lottery Act, set the executive director's salary at \$141,603 with multipliers of up to 2.5 times resulting in a maximum salary of \$354,007. Ark. Code Ann. § 23-115-304 (b) states, "A commission employee's salary for retirement purposes shall be the amount determined by the commission as authorized by the General Assembly and shall not include any multipliers used to increase a person's salary as authorized by the General Assembly." The Commission paid retirement contributions based on the Executive Director's salary including multipliers. Ark. Code Ann. § 23-115-304 (b) may be in conflict with general legislation applicable to the Arkansas Public Employees Retirement System (APERS) as related to the definition of compensation for retirement purposes, Ark. Code Ann. § 24-4-101, and calculations of benefits, Ark. Code Ann. § 24-4-601. Based on the advice of APERS, the Commission remitted an additional \$29,184 for retirement contributions based on the total amount of the Executive Director's salary of \$324,000.

Legislative Audit Recommendation for Management Letter Finding #4:

We recommend the Agency seek legal guidance as to the applicability of Ark. Code Ann. §§ 23-115-304(b), 24-4-101, and 24-4-601. In addition, the Agency should seek reimbursement for any overpayments that may be determined.

Audit Objective #12

Determine that an Attorney General's opinion has been requested concerning the Arkansas Lottery Commission's Executive Director's retirement contributions (Ark. Code Ann. §§ 23-115-304(b), 24-4-101, and 24-4-601).

Audit Objective #13

Determine that the Arkansas Lottery Commission has been reimbursed from the Arkansas Public Employees Retirement System (APERS) any excess retirement contributions.

Status as of March 8, 2011

Audit fieldwork in progress

- Attorney General Opinion Number 2010-150 was issued on February 7, 2011. The opinion states that the specific language in the Arkansas Lottery Act holds precedent over the general statutes contained in Ark. Code Ann. 524-4-101 and 24-4-601. Therefore, contributions for retirement should be based on the Executive Director's salary without multipliers.
- Lottery management anticipates that reimbursement of the excess retirement contributions associated with the Executive Director's salary prior to the Attorney General's Opinion will be received from APERS in late March 2011.

Review of Findings and Recommendations from the Division of Legislative Audit's June 30, 2010 Audit Report and Management Letter

Status Report – March 8, 2011

Legislative Audit Management Letter Finding #5:

Review of travel reimbursements, Visa statements, and supporting documentation revealed the following:

- The Executive Director submitted ten requests for travel reimbursement totaling \$4,534 during the fiscal year; five of which, totaling \$3,470, lacked proper approval by a designated travel supervisor.
- Travel payments/reimbursements totaling \$16,189 were made that are in conflict with State laws and travel regulations.
 1. Hotel expenses were paid above the Federal per diem rate without prior authorization by the Agency's Executive Director. We noted 22 instances totaling \$9,616 that are in violation of R1-19-4-903 of the Financial Management Guide, which states "lodging costs exceeding the rates listed in the Federal Travel Directory may not be paid without a letter of authorization by the administrative head of the agency and must include a justification as to why it was in the best interest of the State to exceed the standard reimbursement rate".
 2. Five (5) charges totaling \$1,872 made to the Visa travel credit card were either not supported by adequate documentation, the documentation did not match the amount charged, or the documentation did not appear to be an original. This appears to be in violation of Ark. Code Ann. § 19-4-902(b) which states "the responsibility of the administrative head of any agency to keep on file in the place of business of the agency, subject to audit, copies of all supporting documents and required receipts for expenses incurred in connection with the travel authorizations and allowances for persons traveling on behalf of the agency".
 3. Documentation used to support Visa statements/TR-1 reimbursements for airline ticket purchases were screen prints from an airline/travel booking website that were printed prior to an actual flight confirmation. We noted seven (7) instances totaling \$2,814 that are in violation of Ark. Code Ann. § 19-4-902(b).
 4. The business purpose was not adequately documented for payments made on behalf of, or reimbursements to, the Vice-President of Gaming for travel expenses totaling \$1,423. Exceeding the conference room rate by \$103 per night, additional hotel charges totaling \$309 were incurred during a conference in New York. In addition, hotel costs and meals totaling \$1,114 were incurred beyond the dates of the conference.
 5. We also noted \$464 in other reimbursements that are in conflict with various State laws and travel regulations including: receipts not matching the dates listed on the travel reimbursement form, excess mileage reimbursement, exceeding the Federal per diem daily rate for meals incurred during overnight travel, reimbursement for meals without having overnight travel, and reimbursement for tips above the 15% allowance.

Status Report – March 8, 2011

Legislative Audit Recommendation for Management Letter Finding #5:

We recommend the Agency strengthen internal controls related to travel expenditures by requiring all travel expenditures be adequately documented. Agency personnel that travel as part of their job duties should be trained on the various State travel regulations and management should establish procedures to ensure compliance with State law and regulations. Furthermore, we suggest that the Executive Director remit his requests for travel reimbursement to an appropriate travel supervisor for review and approval.

NOTE – This finding was cleared by Internal Audit on March 8, 2011.

Audit Objective #14

Determine that the Lottery has adequate written policies and procedures for employee travel expenditures.

No Findings or Recommendations. The Lottery has established adequate written policies and procedures to govern employee travel expenditures (*Travel Expense Reimbursement Policy*).

Audit Objective #15

Determine that all travel expenditures are reimbursed in accordance with the Lottery's policies and procedures, adequately supported, and approved by the appropriate personnel. Prepare a monthly schedule of travel expenditures.

No Findings or Recommendations. Internal Audit reviewed the Arkansas Scholarship Lottery travel expenditures for the months of December 2010, January 2011, and February 2011 for compliance with the Lottery's policies and procedures, adequate supporting documentation, and proper authorization. No reportable exceptions were noted. Internal Audit will continue to regularly review Lottery travel expenses and prepare monthly schedules of employee travel reimbursements as requested by the Arkansas Lottery Commission.

Legislative Audit Management Letter Finding #6:

Review of payroll and related records revealed the Agency made improper retroactive payments to two employees for periods 12/13/09 through 3/28/10 and 5/01/10 totaling \$6,296. Ark. Code Ann. § 19-4-1610 states "no increase in the rate of pay, either by paying the full amount of the maximum salary or by placing an employee in a position calling for a greater salary, shall be construed as authorizing the payment of any retroactive salary to the employee" except for "salary payments made to correct an administrative error". However, the retroactive pay was for time before the effective dates of the position reclassifications.

Legislative Audit Recommendation for Management Letter Finding #6:

We recommend that the Agency ensure that retroactive payments be supported by appropriate documentation and seek recovery of the amounts overpaid.

Audit Objective #16

Determine that the Lottery did not make any improper retroactive payroll payments to employees from July 1, 2010 through December 31, 2010.

Status as of March 8, 2011

Audit fieldwork complete – No findings or recommendations

- Internal Audit reviewed payroll records for retroactive payments to employees involving position reclassifications. In addition, Internal Audit inquired of appropriate Lottery personnel regarding retroactive payments to Lottery employees. No instances of improper retroactive payments were noted.

Audit Objective #17

Determine if the Lottery management's amendment of the personnel action forms (administrative error correction) resolves Legislative Audit's finding and recommendation.

Status as of March 8, 2011

- Per Legislative Audit's recommendation, Lottery management submitted a memorandum to the Department of Finance and Administration – Office of Personnel Management dated February 15, 2011 requesting a review of the actions taken by the Lottery's Human Resources Division in regards to the granting retroactive pay to two employees.
- The Department of Finance and Administration – Office of Personnel Management responded in a letter dated February 17, 2011 indicating that there was not enough information provided to address the issue.
- Lottery management maintains that the two employees in question were legally entitled to the funds received.
- Internal Audit will continue to monitor this finding.

Audit Objective #18

If applicable, determine if improper retroactive payments have been recovered.

Status as of March 8, 2011

Audit fieldwork planned (if necessary)

- Internal Audit will perform the audit fieldwork associated with this objective when a final resolution has been reached regarding the Lottery seeking recovery of the retroactive payments noted in the finding.

Status Report – March 8, 2011

Legislative Audit Management Letter Finding #7:

The Control Objectives for Information and related Technology (COBIT) Delivery and Support Domain 11 outlines the best practices for ensuring financial data is complete, accurate and valid. Controls should be in place to ensure proper management review and/or approval of all financial transactions. Additionally, financial accounting software processing ability should be adequate to meet the control environment needs of the entity. The Agency's financial accounting software and related procedures contains the following deficiencies:

- The software allows a valid financial transaction to be deleted in a manner that completely erases the transaction from the original financial records. The only information about the deleted transaction is kept in an audit log file. There is no documentation to indicate that management is reviewing the audit log file to determine that transaction deletion was properly approved and appropriate for the circumstances.
- The software only has the capability to identify 7 payroll deductions on an employee's remuneration statement, however many employees have more than 7 deductions. Additionally, Agency staff must account for some payroll deductions outside the accounting software and adjust federal reporting forms accordingly.
- The software does not have adequate controls to prevent or detect a salary overpayment for a position's pay grade maximum in accordance with Ark. Code Ann. § 21-5-101. In addition, the software lacks the ability to limit the maximum number of employees authorized by §§ 23-115-305 and 307.

These situations could allow errors or fraud to occur and not be detected in a timely basis.

Legislative Audit Recommendation for Management Letter Finding #7:

We recommend that the Agency work with the application vendor to implement additional controls that will strengthen the control environment.

Legislative Audit Management Letter Finding #8:

Review of internal controls over cash receipts for the collection of retailer fidelity fees totaling \$18,775 and retailer application fees totaling \$161,381, identified controls that were not operating as designed. All incoming mail is to be processed by the Security Division which includes entering all checks received into the mail check log which is maintained on SharePoint and approved by the Treasurer. The mail and checks are subsequently to be distributed to the appropriate departments for processing. During our test, we noted that checks were being deposited that had not been processed through the security division; all checks were not deposited timely; and, although the check log was being approved by the Treasurer, the Treasurer does not receive copies of the checks or other documents to ensure that the check log is complete.

Legislative Audit Recommendation for Management Letter Finding #8:

We recommend the Agency strengthen internal controls over cash receipts.

NOTE – This finding was cleared by Internal Audit on March 8, 2011.

Audit Objective #22

Determine that the Lottery has adequate written policies and procedures for the cash receipting process.

No Findings or Recommendations. The Lottery has established adequate written policies and procedures to govern cash receipts (*Check and Monetary Receipt Policy*).

Legislative Audit Management Letter Finding #9:

Review of internal controls over disbursements revealed that controls over procurement are inadequate. The Agency's policy requires a Vice-President's approval for non-procurement card purchases over \$500. However, the Agency's policy also states that approval is considered to have occurred with the Vice-President's manual signature on the check. This control is ineffective since the check would not be signed until after the purchase had occurred and the item had been received. The Agency's controls appear to be minimal compared to best practices and have the potential to allow unauthorized or unallowable purchases and/or liabilities to be incurred by the Agency.

Legislative Audit Recommendation for Management Letter Finding #9:

We recommend the Agency ensure that proper controls are in place and operating effectively by adequately reviewing all supporting documentation for purchases prior to the disbursement of funds.

NOTE – This finding was cleared by Internal Audit on February 8, 2011.

Audit Objective #24

Determine that the Lottery has adequate written policies and procedures for disbursements.

No Findings or Recommendations. Lottery management has established adequate written policies and procedures to govern disbursements (*Purchasing and Invoice Payment Policy*).

Audit Objective #25

Determine that cash disbursements are processed in accordance with policies and procedures, adequately supported, reviewed and approved prior to the disbursement of funds, and properly recorded in the Lottery's general ledger.

No Findings or Recommendations. Based on a test of transactions conducted by Internal Audit, cash disbursements are processed in accordance with the *Purchasing and Invoice Payment Policy*, adequately supported, reviewed and approved prior to the disbursement of funds, and properly recorded in the Lottery's general ledger.

Status Report – March 8, 2011

Legislative Audit Management Letter Finding #10:

The instant ticket lottery game service contract requires a fee paid to the vendor of 1.5% of the prize fund for the costs associated with the Points for Prizes™ program. The Agency paid the vendor \$3.3 million to operate the program during the year ended June 30, 2010. Agency personnel were unable to provide an adequate explanation as to calculation of the fee and specifically, how to determine the value of the prize fund. Agency personnel appeared to lack knowledge required to calculate the fee independent of the vendor. The Agency's inability to understand and recalculate the fee could cause vendor overpayments to occur thus reducing funds available for scholarships.

Legislative Audit Recommendation for Management Letter Finding #10:

We recommend the Agency strengthen internal controls surrounding the Points for Prizes™ program by ensuring Agency employees adequately review and understand the methodology for calculating payments to the instant ticket lottery game service vendor.

Audit Objective #26

Determine that the Lottery and the instant ticket game vendor have clarified the calculation for the "Points for Prizes" fee.

Status as of March 8, 2011

Audit fieldwork complete – No findings or recommendations

- Scientific Games provided a formula for the calculation of the Points for Prizes in a document dated February 1, 2011.
- The instant ticket lottery game service contract requires a fee paid to the vendor of 1.5% of the prize fund for the costs associated with the Points for Prizes program. Lottery management has indicated that all Points for Prizes funds remitted to the instant ticket game vendor are returned to players in the form of prizes. Lottery management maintains that the amount calculated for Points for Prizes for an instant ticket game should be included in the prize fund used to calculate the Points for Prizes amount due the vendor.
- Based on Lottery management's definition of prize fund noted above, the formula submitted by Scientific Games correctly calculates the amount due for Points for Prizes.

Status Report – March 8, 2011

Legislative Audit Management Letter Finding #11:

Travel regulation R1-19-4-903 states mileage shall be reimbursed and computed using map mileage. The auditor was unable to adequately test marketing sales representatives' travel due to insufficient documentation. Information provided on the employees' travel reimbursement forms was vague and/or incomplete limiting the Agency's ability to properly review the supporting documentation prior to payment. In addition, the auditor was unable to verify miles traveled in order to recalculate mileage reimbursement for accuracy. Travel reimbursements for marketing sales representatives totaled \$198,983, including one employee who was reimbursed \$18,858 for 44,900 miles driven during a 10 month period of time. Insufficient supporting documentation could allow errors or misappropriation of assets to occur and go undetected by the Agency, leading to overpayments made to Agency employees.

Legislative Audit Recommendation for Management Letter Finding #11:

We recommend the Agency implement procedures requiring adequate documentation of travel made by the Agency's marketing sales representatives to allow for a proper review of travel reimbursements.
