TEMPORARY POWERBALL GAME CHANGE

ARKANSAS

A New Jersey player won the \$190 million Powerball jackpot in last night's drawing. Arkansas had a \$150,000 winning ticket sold in Batesville.

The Powerball jackpot for Saturday's drawing is an estimated \$20 million. Jackpot roll increases and starting jackpot amounts for future drawings will be determined by the Powerball Product Group based on sales and interest rates.

Nothing has changed with how the game is sold, played, or won. Please discard any of the Powerball wallet cards in your playstations immediately.
