1 ASK for the Sale!

2 Teach your customer how to play. Just say
"Gimme a \$3 Powerball® with Power Play® Quickpick." *It's that easy.*

3 Natural State Jackpot is just five numbers and only played in Arkansas!
And it's just a \$1 to play!

4 Cash 3 and Cash 4 are just like playing the ponies! Both games draw
twice daily Mon - Sat, once on Sun. and the **minimum play is only \$0.50!**

5 POINT TO THE JACKPOT SIGN!
