- The Official Price Proposal Sheet is posted and may be downloaded at www.lotterycommission.arkansas.gov/.

1.4 RFP FORMAT

Any statement in this document that contains the word “**must**” or “**shall**” means that compliance with the intent of the statement is mandatory, and failure by the Vendor to satisfy that intent will cause the proposal to be rejected. It is recommended that Vendors respond to each item or paragraph of the RFP in sequence. Items not needing a specific vendor statement may be responded to by concurrence or acknowledgement; no response will be interpreted as an affirmative response or agreement to the ALC conditions. Reference to handbooks or other technical materials as part of a response must not constitute the entire response and Vendor must identify the specific page and paragraph being referenced.

1.5 SEALED PRICES

The Official Regional Banking Claims Center Request for Proposal Price Sheet submitted in response to this RFP must be submitted separately sealed from the proposal response. **Vendors must include all pricing information on the Official Regional Banking Claims Center Request for Proposal Price Sheet and must clearly mark said page(s) as pricing information.** The electronic version of the Official Regional Banking Claims Center Request for Proposal Price Sheet must also be sealed separately from the electronic version of the proposal.

All invoices shall be delivered to the ALC.

The Invoice, Invoice Remit, and Summary must be delivered via paper at no cost to the ALC.

The ALC shall have no responsibility whatsoever for the payment of any federal, state, or local taxes which become payable by the Successful Vendor or its subcontractors, agents, officers, or employees. The Successful Vendor shall pay and discharge all such taxes when due.

Payment will be made in accordance with applicable State of Arkansas accounting procedures upon acceptance by the Agency. The ALC may not be invoiced in advance of delivery and acceptance of any services. Payment will be made only after the Successful Vendor has successfully satisfied the requesting agency as to the reliability and effectiveness of the services as a whole. Purchase Order Number and/or Contract Number should be referenced on each invoice.

The Successful Vendor shall be required to maintain all pertinent financial and accounting records and evidence pertaining to the Contract in accordance with generally accepted principles of accounting and other procedures specified by the ALC. Access will be granted upon request, to State or Federal Government entities or any of their duly authorized representatives.

Financial and accounting records shall be made available, upon request, to the ALC's designee(s) at any time during the contract period and any extension thereof, and for five (5) years from expiration date and final payment on the Contract or extension thereof.

1.8 PROPRIETARY INFORMATION

Proprietary information submitted in response to this RFP will be processed in accordance with applicable ALC major procurement procedures. Proposals and documents pertaining to the RFP become the property of the ALC and shall be open to public inspection subsequent to proposal opening. It is the responsibility of the Vendor to identify all proprietary information and to seal such information in a separate envelope marked as confidential and proprietary.

The Vendor must submit one (1) complete copy of the proposal from which any proprietary information has been removed, i.e., a redacted copy. The redacted copy should reflect the same pagination as the original, show the empty space from which information was redacted, and be submitted on a CD. Except for the redacted information, the CD must be identical to the original hard copy. The Vendor is responsible for ensuring the redacted copy on CD is protected against restoration of redacted data.

1.9 CLARIFICATION OF RFP AND QUESTIONS

If additional information is necessary to enable Vendors to better interpret the information contained in the RFP, written questions will be accepted until the close of business (5:00 PM CDT) on August 5, 2009. Vendor questions submitted in writing will be consolidated and responded to by the ALC. The consolidated written ALC response will be posted on the ALC website on or before the close of business (5:00 PM CDT) on August 7, 2009. Written questions should be sent to the attention of the ALC Director at the ALC Offices.

1.10 BID EVALUATION

The ALC RFP evaluation committee will evaluate all proposals to ensure all requirements are met. The Contract will be awarded on the basis of the proposal that receives the highest cumulative point total as defined in the evaluation criteria.

1.11 ORAL AND/OR WRITTEN PRESENTATIONS/DEMONSTRATIONS

The Vendor may be required to make oral and/or written presentations to comply with the requirement.

The RFP evaluation committee chairperson will schedule the time and location for each demonstration or presentation. All presentations are subject to be recorded.

All expenses associated with the initial demonstration except travel, meals, and lodging for ALC personnel, will be borne by the Vendor.

1.12 PERFORMANCE SECURITY

In order to assure full performance of all obligations imposed on a Vendor by contracting with the ALC, the Vendor will be required to provide a performance security in an amount as deemed necessary by the ALC for this Request for Proposal within ten (10) working days from date of receipt of the ALC's written notification by mail of its intent to award a proposal. The form of security required shall be a performance bond such as is usually and customarily written and issued by surety companies licensed and authorized to do business in Arkansas or a cashier's/certified check. An irrevocable letter of credit from an Arkansas bank is also acceptable. The ALC shall award the Contract upon acceptance of the performance security. The performance security should be made out to the ALC and will be on file at the ALC office.

If a Vendor fails to deliver the required performance security, the proposal shall be rejected and the contract shall be awarded to the provider of the next ranked proposal. In the event of a breach of contract, either through quality problems, late delivery, substitutions, non-performance, or other areas within the control of the Vendor, the ALC will notify the Vendor in writing of the default and may assess reasonable charges against the Vendor's performance security. If, after notification of default, the Vendor fails to remedy the ALC's damages within ten (10) working days, the ALC may initiate procedures for collection against the Vendor's performance security.

In the event of default, and in order to achieve the greatest economy for the State, the ALC may choose the next highest ranked Vendor, re-advertise for proposals, negotiate a purchase, or complete any other action consistent with the major procurement rules. The performance security will be released at the end of the contract period.

1.13 PRIME CONTRACTOR RESPONSIBILITY

The Successful Vendor will be required to assume prime contractor responsibility for the Contract and will be the sole point of contact.

The ALC reserves the right to interview the key personnel assigned by the Successful Vendor to this project and to recommend or require reassignment of personnel deemed unsatisfactory by the ALC.

The ALC reserves the right to approve subcontractors for this project and require primary contractors to replace subcontractors that are found to be unacceptable.

If any part of the work is to be subcontracted the Vendor is subject to the provisions of Arkansas Code Annotated § 23-115-501(c), in that the Vendor must disclose the same information for the subcontractor as for itself. Responses to this RFP must include a list of subcontractors, including: firm name and address, contact person, complete description of work to be subcontracted, and descriptive information concerning subcontractor's organizational activities.

1.14 DELEGATION AND/OR ASSIGNMENT

The Vendor shall not assign the Contract in whole or in part or any payment arising there from without the prior written consent of the ALC. The Vendor shall not delegate any duties under the Contract to a subcontractor unless the ALC has given written consent to the delegation.

1.15 CONDITIONS OF CONTRACT

The Successful Vendor shall at all times observe and comply with federal and State laws, local laws, ordinances, orders, and regulations existing at the time of or enacted subsequent to the execution of this Contract which in any manner affect the completion of the work. Vendors may obtain a copy of the ALC's Policies and Procedures at: <http://lotterycommission.arkansas.gov/>

1.16 CANCELLATION

In the event the ALC no longer needs the service or commodity specified in the Contract or purchase order due to program changes, changes in laws, rules, or regulations, relocation of offices, or lack of appropriated funding, the ALC may cancel the Contract or purchase order by giving the Vendor written notice of such cancellation thirty (30) days prior to the date of cancellation and a right to a hearing before the Commission.

1.17 STATEMENT OF LIABILITY

The ALC will demonstrate reasonable care but shall not be liable in the event of loss, destruction, or theft of contractor-owned technical literature to be delivered or to be used in the installation of deliverables. The Vendor is required to retain total liability for technical literature until the deliverables have been accepted by the "authorized agency official." At no time will the ALC be responsible for or accept liability for any Vendor-owned items.

The Successful Vendor shall indemnify and hold harmless the ALC, its officers, directors, agents, retailers, and employees and the State of Arkansas, from and against any and all suits, damages, expenses, losses, liabilities, claims of any kind, costs or expenses of any nature or kind, including, with limitation, court costs, attorneys' fees, and other damages, arising out of, in connection with or resulting from the development, possession, license, modification, disclosure or use of any copyrighted or non-copyrighted materials, trademark, service mark, secure process, invention, process or idea (whether patented or not), trade secret, confidential information, article, or appliance furnished or used in the performance of the Contract.

The ALC will be responsible for award and administration of any resulting contract(s).

1.19 INDEPENDENT PRICE DETERMINATION

By submission of this proposal, the Vendor certifies, and in the case of a joint proposal, each party thereto certifies as to its own organization, that in connection with this proposal:

- The prices in the proposal have been arrived at independently, without collusion and that no prior information concerning these prices has been received from or given to a competitive company; and
- If there is sufficient evidence of collusion to warrant consideration of this proposal by the Office of the Attorney General, all Vendors shall understand that this paragraph may be used as a basis for litigation.

1.20 PUBLICITY

News release(s), media interviews or other publicity by a Vendor pertaining to this RFP or any portion of the project shall not be made without prior written approval of the ALC. Failure to comply with this requirement is deemed to be a valid reason for disqualification of the Vendor's proposal.

The Successful Vendor agrees not to use the ALC's names, trademarks, service marks, logos, images, or any data arising or resulting from this RFP or the Contract as part of any commercial advertising or proposal without the express prior written consent of the ALC in each instance.

1.21 CONFIDENTIALITY

The Successful Vendor shall be bound to confidentiality of any confidential information that its employees may become aware of during the course of performance of contracted services. Consistent and/or uncorrected breaches of confidentiality may constitute grounds for cancellation of the Contract.

The Successful Vendor shall represent and warrant that its performance under the Contract will not infringe any patent, copyright, trademark, service mark, or other intellectual property rights of any other

person or entity and that it will not constitute the unauthorized use or disclosure of any trade secret of any other person or entity.

1.22 PROPOSAL TENURE

All Proposals shall remain valid for one hundred eighty (180) calendar days from the Proposal due date referenced on Page 1 of the RFP.

1.23 COST

All charges must be included on the Official Regional Banking Claims Center Request for Proposal Price Sheets, must be valid for one hundred eighty (180) days following proposal opening, and shall be included in the costing evaluation. The pricing must include all associated cost for the service being bid. **Pricing from the Official Regional Banking Claims Center Request for Proposal Price Sheet must be separately sealed from the proposal response and clearly marked as pricing information. Do not include any pricing from the Official Regional Banking Claims Center Request for Proposal Price Sheet on the copies, including the CD. The electronic version of the Official Regional Banking Claims Center Request for Proposal Price Sheet must also be sealed separately from the electronic version of the proposal.**

NOTE:

1. The ALC will not be obligated to pay any costs not identified on the Official Regional Banking Claims Center Request for Proposal Price Sheet.
2. Any cost not identified by the Vendor but subsequently incurred in order to achieve successful operation will be borne by the Vendor.
3. Official Regional Banking Claims Center Request for Proposal Price Sheets may be reproduced as needed.
4. Vendors may expand items to identify all proposed services. A separate listing, which must include pricing, may be submitted with summary pricing.

1.24 WARRANTIES

- The Successful Vendor shall warrant that it is qualified to do business in this state and shall file appropriate tax returns as provided by the laws of this state.

1.25 ONGOING PERFORMANCE REQUIREMENTS

The ALC may terminate the Contract by the Successful Vendor or its subcontractors under the terms of the Contract if, within ten (10) days after the ALC gives the Successful Vendor written notice specifying a default, the Contractor has not, in the ALC's sole judgment, either cured the default or given adequate assurance that assures the default will not adversely affect the timely implementation of the lottery or its continued operation.

Moreover, the ALC may cancel and terminate the Contract on less than ten (10) days written notice in cases of fraud, failure to disclose information required under this RFP, submission of work product in contravention of the terms of the Contract, refusal to permit inspections authorized by the Contract, and failure to adhere to all security requirements established from time to time by the ALC.

SECTION 2. OVERVIEW

2.0 ALC OVERVIEW

Legislation creating the Arkansas Lottery, also referred to as the Arkansas Scholarship Lottery (ASL), and the Arkansas Lottery Commission (ALC), was signed into law on March 26, 2009 (the Arkansas Scholarship Lottery Act, Ark. Code Ann. § 23-115-101 et seq. and § 6-85-201 et seq.). In accordance with that legislation the ALC, for the benefit of the people of Arkansas, issues this Request For Proposals with the clear intent to operate a lottery that provides continuing entertainment to the public, maximizes the revenue generated for the support of higher education scholarships, preserves the integrity and dignity of the process, and accounts to the public and the General Assembly through reports and audits.

The Arkansas Lottery Commission is an instrumentality of the State of Arkansas. It plans to employ approximately ninety (90) people statewide and plans to staff and operate a headquarters and prize payment claims center located in Little Rock, Arkansas, by the start-up of instant ticket sales on or before September 28, 2009. The ALC also intends to provide customers with regional prize payment claims centers located throughout the 1st, 3rd and 4th Congressional Districts in Arkansas by procuring qualified full service Federal Deposit Insurance Corporation banking institutions (Vendors) to provide space, staff and day to day management within their own banking facilities for that purpose. For the purposes of this Request for Proposal, and the terms of the contract to follow, the boundaries of the 1st, 3rd and 4th Congressional Districts of Arkansas shall be those in force at the time of the execution of the Contract. The ALC will maintain one (1) prize claim center in Little Rock, Arkansas, which it will maintain itself and control. The ALC is committed to maximizing revenues for the Arkansas Academic Challenge Scholarship Program (AACSP) and other non-lottery education programs in furtherance of the findings and declarations set forth in the Act creating the Arkansas Scholarship Lottery.

The ALC's retailer base at start-up is expected to be approximately two thousand five hundred (2,500) and its retailer base may be expanded to up to three thousand two hundred (3,200) during the term of the Contract. Thereafter, based on subsequent developments and sales, the retailer base may be expanded.

2.1 ALC OBJECTIVES

The integrity of the Arkansas Scholarship Lottery is essential. The ALC must maintain control over all functions and be assured that they are performed to provide the greatest long-term benefit to the State of Arkansas, the greatest integrity for the ALC, and the best service and products for the public, all in a manner consistent with the dignity of the State of Arkansas.

All responses to this RFP shall reflect the following overall goals and objectives of the ALC to procure qualified full service Federal Deposit Insurance Corporation banking institution (Vendors) to provide customers with numerous regional prize payment claims centers located within a maximum of five (5) locations in Vendor's banking institutions and branches located in the 3rd Congressional District for the State of Arkansas:

- Annually increase revenue and associated net lottery proceeds;
- Market high quality products that provide entertainment and customer satisfaction;
- Ensure that the ALC receives services from Vendors who are financially sound and experienced, and who maintain favorable reputations within the lottery industry for contract performance;
- Ensure that the Successful Vendor is capable of providing the services called for in this RFP, and that the Successful Vendor will be capable of continuing to provide those services during the term of this Contract;
