## **Alexander Man Claims \$60,000 In Lottery's Natural State Jackpot**

March 4, 2019

LITTLE ROCK – Today an Alexander man claimed a Natural State Jackpot (NSJ) prize worth \$60,000 after playing the same numbers daily. David Hill purchased the NSJ ticket at the Old Trading Post, 22921 Colonel Glenn in Little Rock for the March 1 drawing. The winning numbers were 4, 7, 9, 18 and 24.

“I play the lottery every day and pick the same numbers every time, which are birthdays of my children and grandchildren and wedding anniversary date,” said Hill.

“Wow,” was his first thought after he looked at the winning numbers on the Arkansas Lottery website and realized he won the NSJ jackpot. “I check the website every morning with my cup of coffee after each drawing. At first, I wasn’t wearing my glasses and thought that I had only matched a couple of the numbers. I found my glasses and discovered that I was actually the jackpot winner,” said Hill.

Hill first told his wife, Susan, and he plans to buy a car for the couple with his winnings. The Natural State Jackpot is \$55,000 for tonight’s drawing at 8 p.m.

### **About Natural State Jackpot**

Natural State Jackpot (NSJ) is a drawing game exclusive to Arkansas. NSJ drawings are held Monday through Saturday at 8 p.m. CST. The jackpot starts at \$50,000 and increases by \$5,000 every draw until it hits \$150,000. After that, it increases by \$10,000 every draw until it’s won. Five numbers are drawn from 1 to 39. If all numbers match

those that are chosen, the player will win the jackpot. If other players also match all five numbers, the prize will be shared in equal amounts. Each play is \$1.
