Baxter County player wins \$25,000 a Year for Life!

LITTLE ROCK – A player from Mountain Home is **\$25,000** a year for life richer after winning the prize in the Arkansas Scholarship Lottery's **Lucky For Life™** game Monday night, January 25th. The winner just earned a yearly \$25,000 paycheck *for the rest of their life!* They played the Arkansas Lucky For Life™ Game and matched five of the six numbers drawn. They only missed winning \$1,000 a day for the rest of their life by not matching the sixth number, the Lucky Ball. This Lucky For Life™ winner has not claimed their prize yet.

The winner purchased his winning Lucky For Life™ ticket at the Mountain Home Gas n Go in Mountain Home. For selling the winning ticket, the store is eligible for a \$3,900 retailer bonus.

Lucky for Life™

Lucky for Life™ is a regional multistate draw game that offers players the opportunity to win a top prize of \$1,000 a day every day for life and a second prize of \$25,000 a year for life. It's the only Arkansas Scholarship

Lottery game that offers a “for life” prize. Drawings are held at 9:38 p.m. CT every Monday and Thursday. Five balls numbered from 1 to 48 are drawn and one Lucky Ball numbered from 1 to 18 is drawn. If all numbers match those that are drawn, a player wins the top prize, which is \$7,000 a week for life. The second-level Lucky for Life prize is \$25,000 a year for life. Each Lucky for Life play is \$2.
