Craighead County Man Wins \$50,000 with \$20 Instant Ticket

Nov. 17, 2025

LITTLE ROCK, Ark. — For one Arkansas resident, a surprise lottery win was the key to accomplishing a longtime goal.

Jacob Yates of Craighead County won \$50,000 playing \$50,000 Frenzy, a \$20 instant game. He claimed his prize at the Arkansas Scholarship Lottery Claim Center on Nov. 12.

The winning ticket was purchased at Jordan's Kwik Stop #69, located at 4365 W. Keiser in Osceola.

Jacob bought the winning ticket shortly after work. A monthly lottery player, he had initially stopped by the retailer for gas when he decided to take a chance on an instant ticket. He had been monitoring the recent ticket releases and knew that \$50,000 Frenzy still had several top prizes remaining.

Jacob usually purchases more than one lottery ticket at a time to increase his chances of winning a prize, and this time was no different. With four \$50,000 Frenzy scratch-offs in tow, Jacob began scratching his tickets in the retailer's parking lot.

To his surprise, one of the tickets held a \$10,000 prize and two \$20,000 prizes, for a grand total of \$50,000.

"I thought I had only won \$10,000 at first," he told lottery officials.

Excited, he called his parents to share the good news. The pair was equally stunned, then congratulatory. The \$50,000 prize will allow Jacob to finally relocate to be with his daughters.

Twenty-one \$50,000 top prizes remain on \$50,000 Frenzy.
