

\$40,000 Winning Powerball Ticket Sold in Hot Springs

LITTLE ROCK (February 9, 2013) – Saturday night’s Powerball drawing produced a big winner in Arkansas. An as-yet unidentified player at Corner Liquor Store, 5506 Central Avenue, in Hot Springs is holding a \$40,000 ticket.

Arkansas Scholarship Lottery Claim Centers (Little Rock, Springdale, Jonesboro, and Camden) await the winner’s arrival to cash the ticket. The winner matched four white ball numbers plus the red Powerball number from Saturday night’s drawing, resulting in a \$10,000 win. The player wisely added the \$1 Power Play option, quadrupling the prize to \$40,000.

All players who purchased Powerball tickets at Hot Springs’ Corner Liquor Store are urged to check their numbers against the winning numbers to see if their ticket is the lucky one. The winning numbers are available at any Lottery retailer or at myarkansaslottery.com.

No one in America chose all six correct numbers, and the Powerball jackpot grows to \$50 Million for Wednesday’s drawing. If you want a chance to win sooner, play \$1 Natural State Jackpot, the Arkansas-only game with great odds and lots of local winners!
