LOTTO Jackpot Jumps to $1.067 Million

Feb. 21, 2024
LITTLE ROCK, Ark. — The LOTTO jackpot rises to $1.067 million for tonight following the Saturday, Feb. 17 drawing.

LOTTO, a draw game played and won only in Arkansas, helps to increase state residents' chances of winning big prizes.

"It's rewarding to offer a game where Arkansans can win big prizes exclusive to our state," said Eric Hagler, Arkansas Scholarship Lottery executive director.

This $1.067 million jackpot marks the game's second highest since its launch in 2022. Two Arkansans have previously claimed the LOTTO jackpot.

Draws for LOTTO occur every Wednesday and Saturday at 9 p.m. Six numbers between 1 and 40 plus a bonus number are drawn each night. To win the jackpot, a player must match the first six numbers. Players who match two or more digits, plus the bonus number, are eligible for smaller prizes.

Saturday night's drawing included three $1,500 prize winners and seven $500 prize winners. There were 2,877 winners in total.
