December's new scratch-off games include a million-dollar top prize

Five new games offer a wide range of play

Dec. 4, 2017

LITTLE ROCK – The Arkansas Scholarship Lottery is doing its part to make this the most wonderful time of the year with tomorrow's release of five new instant games – including one scratch-off ticket with a top prize of one million dollars!

Million Dollar Winner is the new \$20 scratch-off ticket with a one-million dollar top prize, just as its name suggests. It joins such beloved games as Arkansas Millions, which launched in January -- and still has a \$1 million prize waiting to be claimed.

Meanwhile, \$5 Multiplier Money's top prize is \$100,000, and \$3 Bingo Bonus (with three different scenes) has a \$75,000 top prize. Rounding out the December launch of new games are \$2 Cash Money, with four scenes and a \$20,000 top prize; and \$1 Lottery Ticket, with two scenes and a \$3,000 top prize.

"We hope this wide range of new scratch-off games connects with our players this holiday season," Arkansas Scholarship Lottery Director Bishop Woosley said. "We are always looking to maximize the winning and the fun for our players -- as well as the revenues for scholarships for our students here in the state."

And, with the advent of Advent, the Arkansas Scholarship Lottery would also like to remind players that the lottery is for adults – don't buy or give lottery tickets to those under 18. Happy holidays from the Arkansas Scholarship Lottery!
