### **Wednesday Proves To Be Lucky Night For Arkansas Lottery Players**

Dec. 1, 2022

LITTLE ROCK, Ark. – Last night was a lucky night for Arkansas Scholarship Lottery players.

One person matched five numbers in the Lucky for Life® game without the Lucky Ball number 9 and won \$25,000 a year for life. The lucky winner will have the option to select a single payout of \$390,000 when the prize is claimed. A second Lucky for Life player matched four of the five numbers and won \$5,000. Both players bought their tickets on the Jackpocket app. The winning numbers were 5, 6, 11, 15 and 30.

Two lucky LOTTO players matched six numbers without the Bonus Number 7 and won \$25,000 each. The winning numbers were 9, 17, 19, 29, 32 and 37. One winner bought his ticket at Casey's General Store, 2401 W. Olive St. in Rogers. The second winner bought his ticket on the Jackpocket app.

Two other players each won \$1,500 on last night's LOTTO drawing. There were a total of 2,497 LOTTO winners with total prizes totaling \$64,757. The LOTTO jackpot continues to elude a winner since the game was launched on Sept. 21, which means the jackpot has now grown to \$823,000 for Saturday night's drawing. LOTTO is only played and won in Arkansas.

The grand total of high-tier (prizes of \$500 or more) prizes won by Arkansas lottery players yesterday was \$451,606.

New scratch-off tickets for December launched on Monday. They include \$10 Bonus Multiplier, \$5 Money Multiplier, \$2 Payout Multiplier and the \$1 X the Money. On Dec. 13 the lottery will launch the 2023 edition of the popular \$50 or \$100! instant ticket, which only has prizes of \$50 or \$100.

Jackpots on other draw games this week include Mega Millions® with a jackpot of \$333 million for Friday night's drawing. The Powerball® jackpot for Saturday is \$81 million, and the Natural State Jackpot drawing tonight is for \$100,000.
