Tonight's Powerball Jackpot Soars to \$1.1 Billion

Dec. 15, 2025

LITTLE ROCK, Ark. — The jackpot for tonight's Powerball® drawing is \$1.1 billion, making it the game's sixth-highest jackpot of all time.

With 43 drawings since September, this jackpot also sets a record for the most consecutive drawings in a jackpot cycle.

Powerball drawings occur Mondays, Wednesdays and Saturdays at 9:59 p.m. Five numbers between 1 and 69 and one Powerball number between 1 and 26 are drawn. To win the jackpot, a player must match all six numbers.

For an additional \$1, players can add the Power Play® multiplier to boost non-jackpot winnings by 2, 3, 4, 5 or 10 times. Players who match five numbers can win up to \$2 million with Power Play.

Tickets cost \$2 per play, and ticket sales cut off at 8:59 p.m. on the night of the drawing.

Powerball tickets are available for purchase at licensed Arkansas lottery retailers and through retailer apps from ASL's Play on the Go partners. For more information about the Play on the Go options, visit the [Where To Play](#) page on the ASL website.
