Two Arkansas Tickets Win Big in Powerball Drawing

April 30, 2026

LITTLE ROCK, Ark. — Two Powerball® tickets sold in Arkansas won major prizes in last night's drawing, totaling \$3 million. The winning numbers for the April 29 drawing were 3, 19, 35, 51 and 67 with the Powerball Number 15 and a Power Play® multiplier of 2X. Both tickets used numbers chosen by the players rather than Quick Picks.

A \$2 million winning ticket was sold at BB One Stop, 20 Highway 64 W., Beebe. The ticket matched the first five numbers and included the Power Play option, doubling the prize to \$2 million.

The second ticket, worth \$1 million, was sold at Maverik #5421, 2894 W. Walnut St., Rogers. It also matched the first five numbers to secure the \$1 million prize.

Both prizes remain unclaimed, and the Arkansas Scholarship Lottery encourages all players to check their tickets. Players have 180 days from the draw date to claim their winnings.

The next Powerball drawing is Saturday, May 2, with an estimated jackpot of \$20 million.
