

## **\$10,000 Winning Mega Millions Ticket Sold in Van Buren**

LITTLE ROCK (February 13, 2013) – Crawford County players just keep on winning! Tuesday night's Mega Millions drawing produced a big winner in Arkansas. An as-yet unidentified player at Ken's Stop & Shop on Broadway in Van Buren is holding a \$10,000 ticket.

Arkansas Scholarship Lottery Claim Centers (Little Rock, Springdale, Jonesboro, and Camden) await the winner's arrival to cash the ticket. The player matched four white ball numbers plus the Mega Millions number from Tuesday night's drawing, resulting in a \$10,000 win. Had the player added the \$1 Megaplier option, with a 3X multiplier for Tuesday, the prize would have grown to \$30,000.

All players who purchased Mega Millions tickets at the Van Buren Ken's Stop & Shop are urged to check their numbers against the winning numbers to see if their ticket is the lucky one. The winning numbers are available at any Lottery retailer or at [myarkansaslottery.com](http://myarkansaslottery.com).

No one in America chose all six correct numbers, and the Mega Millions jackpot grows to \$20 Million for Friday's drawing. For a chance to win sooner, play the Arkansas-only \$1 Natural State Jackpot, with draws every night except Sunday, or Wednesday's Powerball, with a jackpot of \$50 Million.
